**The Board began their Annual Audit of the following: Tax Collector books - 2007 /
Justice books - 2007 / Town Clerk books - 2007.**

**The Supv. Financial records & books - for 2007 -will be audited on Feb. 12, 2008
after the Town Board meeting. This is due to a change in bookkeepers at the first of
this year. The former bookkeeper { Sandra Tether } did not close out the 2007
books, and did not do the State Comptroller's Report and paper work { that was
not returned } was needed in order for the new bookkeeper { Kortright Financial
Services } to close out the 2007 books.**

The Town Board was satisfied with the books they audited and signed those books.

The Annual Audit concluded at 10:00 P.M..
