**Call to Order:**

The meeting was called to order at 3:42PM by Supervisor Gladstone.

**Discussion:**

\*The transfer station attendant has been having trouble with individual's not getting transfer station stickers for their car. He has asked them multiple times to get the sticker. He wrote one individual's license plate number down and gave it to Supervisor Gladstone. Supervisor Gladstone suggested that if this continues to happen we should send these people letters informing them that they are breaking the local law and potentially not allow them to use the facility in the future.

\*\*A review of the loader purchase/trade in program took place. It was suggested that Nortrax be contacted to see if they offer a similar program and perhaps could offer a better price.

\*\*\*A letter of resignation was received from John Gregg of the Zoning Board of Appeals.

**Motions:**

Motion to have the Town Attorney draft a letter to violators of the transfer station law to be mailed upon its need in the future, made by Councilman Joyce, Seconded by Councilman Moshier. All in favor, Councilman Hall-absent and excused. Motion carried.

**Adjourn:**

Motion to adjourn the meeting made by Councilman Joyce, Seconded by Councilman Cole. All in favor, Councilman Hall-absent and excused. 4:45PM
