Re: High Street Stormwater Improvements Project  
Contract No. 1 – General Construction

Dear Supervisor Donnelly:

Bids were received and opened by the Town of Andes on the above referenced project on May 12, 2011 for Contract No. 1 – General Construction. A total of nine bids were received as indicated on the attached summary.

We have reviewed both the Base Bids and the Additive Alternate Bids (top paving). Per the contract documents, we recommend that the Town award the project on the basis of the Base Bid.

The low bidder is Burton F. Clark d/b/a Clark Companies of Delhi. We have reviewed the Bid Form, Bid Security and references submitted and have found them to be generally satisfactory. Therefore, we recommend that the Town of Andes awards Contract No. 1 – General Construction for the High Street Stormwater Improvements Project to Clark Companies for the Base Bid Price of \$125,735.00. Note that the total of the submitted bid was \$127,035; however an error was found in the bid form in the amount of \$2,300, and the Base Bid number was changed. The estimated quantity of Item 17 was changed by Addendum No. 2 and the bidder did not reflect the change on his bid form.

Upon award of the construction contract by the Town Board, please sign all five (5) copies of the Notice of Award. Please retain one (1) signed copy of the Notice of Award for your records and return the remaining four (4) signed copies to my attention for distribution to the contractor.

Also enclosed for your records, please find a Bid Summary Sheet, the unsuccessful bid originals, and a bound copy of all bids.

Re: Stormwater and Pavement Rehabilitation Project  
Contract No. 2 – Coulter Road

Dear Supervisor Donnelly:

Bids were received and opened by the Town of Andes on the above referenced project on May 12, 2011 for Contract No. 2 – Coulter Road Construction. A total of nine bids were received as indicated on the attached summary.

We have reviewed both the Base Bids and the Additive Alternate Bids (top paving). Per the contract documents, we recommend that the Town award the project on the basis of the Base Bid.

The low bidder is Burton F. Clark d/b/a Clark Companies of Delhi. We have reviewed the Bid Form, Bid Security and references submitted and have found them to be generally satisfactory. Therefore, we recommend that the Town of Andes awards Contract No. 2 – Coulter Road Construction for the Stormwater and Pavement Rehabilitation Project to Clark Companies for the Base Bid Price of \$233,625.00.

Upon award of the construction contract by the Town Board, please sign all five (5) copies of the Notice of Award. Please retain one (1) signed copy of the Notice of Award for your records and return the remaining four (4) signed copies to my attention for distribution to the contractor.

Also enclosed for your records, please find a Bid Summary Sheet, the unsuccessful bid originals, and a bound copy of all bids.
