Reports:

Supervisor's Report

- ❖ February 17th- Discussed property with Mr. Glendenning for the Well Project may need a buffer piece of property and they are willing to work with the Town.
- ❖ February 18th- Discussion with Cedarwood Engineering to move forward with setting the timeline for the well. Working with Watershed Ag Council to get the temp bridge to get started

- ❖ February 20th- Met with Robyn Ciccone-Andes Chamber Chair regarding the Andes Chamber's future. The Chamber had their first meeting on March 4th. They are looking for more people to help out and join.
- ❖ February 24th- Met with Matt Sluiter to discuss the insurance claim stemming from the fire at the highway garage.
-We received NYC DEP's 2020 WWTP O&M budget reconciliation approval.
- ❖ February 15th- Received notification of the Catskill Recreation Center's annual bike ride through parts of Andes, Cross Mountain Road and Beech Hill Road on April 25th.
- ❖ March 5th- Received notice from NYS DOH regarding the coronavirus, safety steps to help prevent spreading. This was posted on the bulletin board. Received email from Delaware County Public Health-sent out notice.
- ❖ March 16th- Will be meeting with Delaware County Soil and Water District and the school staff regarding the replacement of the wall in front of the school. 2021 anticipated work starting.
- ❖ The Annual Andes Litter Pick up will be on Wednesday April 15th and Saturday April 18th, with rain dates of April 16th and 25th. NYS DOT will be picking up the bags on State Hwy 28 and Ann Roberti will be in touch with the highway department to notify them of the roads that will need to be picked up.

Respectfully,
Bud Gladstone, Supervisor

Highway Report (attached)

- *Discussed the purchase of a 6x6 plow truck off of the Onondaga County bid versus bidding it out ourselves to see if a lower price could be an option. Bidding ourselves will delay timeline for receiving the truck. Middletown purchased a truck off the bid and they waited a year to receive their truck. If we advertise bids for this it will add at least several months.
- *Discussed the purchase of a used mowing tractor. Supervisor Gladstone asked if the board wanted a two year note at 2%. Use earmarked money, from fund balance. To stay debt free

*Discussed the funds for purchasing the equipment. Bonding the truck, partial grant funding, utilizing highway budget funds, insurance money. Supervisor Gladstone stated that after these purchases the purchasing of equipment will have to be limited unless an emergency arises. After 2020 the Highway Department will be debt free, except for the bond that will be needed for the dump truck which will hopefully not have to be paid on until 2022, if it is received in 2021.

*Discussed the purchase of a pickup to replace the one regularly used by the Highway Superintendent. Basil Dealership has the State bid, but would have a several month wait. Country Club in Oneonta has the same truck for roughly \$300 more, but they do not have the bid. Should ask Country Club to match the bid. Will have to review the procurement policy to see if this has to be bid or not.

Committees:

Pool- Rachel Andrews-Pool director has contacted last year's lifeguards and has received positive feedback from most. Discussed the rebuilding or resurfacing of the ramp and the status of the vacuum that will be needed for this summer.

Motions:

Motion to approve the February 2020 Supervisor's, Justices', Tax Collector's and Town Clerk's Financial Reports, Made by Councilman Moshier, Seconded by Councilman Cole. All in favor, Councilman Hall-Absent & Excused. Motion Carried.

Motion to authorize Highway Superintendent Bouton to advertise the hauling bids and re-advertise for bids 7 & 8 as no bids were received. Bids will be due on April 9th, 2020 at 2PM, Opened on April 10th at 10AM and awarded at the April Regular Board meeting at 6PM. Made by Councilman Moshier, Seconded by Councilman Gabriel. All in favor, Councilman Hall-Absent & Excused. Motion carried.

Motion to authorize Highway Superintendent Bouton to move forward with the purchase of the 6x6 Truck off of the Onondaga County Bid from Tracey Road Equipment for \$158,500.00 and the Equipment set up from Viking Cives Corp. for \$97,116.30 with a total of \$255,616.30, Made by Councilman Moshier, Seconded by Councilman Cole. 3 Ayes (Moshier, Cole, Gabriel) 1 No (Gladstone) Councilman Hall-Absent & Excused. Motion Carried.

Motion to authorize Highway Superintendent Bouton to bid a 2016 or newer tractor with mowing head, to be paid earmarked fund balance, Made by Councilman Gabriel, Seconded by Councilman Moshier. All in favor, Councilman Hall-Absent & Excused. Motion Carried.

Motion to authorize Highway Superintendent Bouton to purchase a 2020 2500 pickup truck, contingent upon procurement policy guidelines, made by Councilman Gabriel, Seconded by Councilman Moshier. All in favor, Councilman Hall-Absent & Excused. Motion Carried.

Resolution 8 of 2020 Undertaking for the Benefit of New York State Department of Transportation in Connection with work affecting State Highways in relation to Town of Andes Permitted Work

WHEREAS, the Town of Andes, from time to time receives permits from the New York State Department of Transportation (NYS DOT) and otherwise conducts activities and operations upon highways and/or within the right-of-way controlled by the State of New York for such purposes as the obstruction, installation, construction, maintenance and/or operation of facilities; and

WHEREAS, the Town of Andes' access and operation upon state right-of-way is conditioned upon compliance with Highway Law Sections 52, 103, 203, and/or 234, including the conditions that the Town of Andes assume all responsibility for (a) temporary control of all modes of traffic (including motorized and non-motorized travel) affected by the Town of Andes' operations, (b) complete restoration of state facilities to their condition prior to permitted use or activity, and (c) all claims, damages, losses and expenses;

NOW THEREFORE, in relation to all operations and/or actions undertaken within state right-of-way, the Town of Andes agrees to the terms and conditions set forth in the official undertaking set forth by New York State; and

FURTHERMORE, the Town of Andes hereby warrants that the obligations of this Undertaking are backed by the full faith and credit of the Town of Andes. The Town of Andes may insure or bond any of the obligations, or may rely upon self-insurance, budgeted funds, or funds for general operations.

This Undertaking shall be applicable to all permitted activities and operations undertaken after the date of execution and work initiated while this Undertaking is in effect. This Undertaking may be revoked by the Town of Andes or rejected by NYS DOT upon thirty days written notice but will continue to apply to all permitted activities/operations that were permitted by virtue of this Undertaking. Unless terminated for the purpose of future activities/operation, this Undertaking shall have a term of twenty (20) years and shall be kept on file to facilitate the issuance of future permits to which it will apply; and

BE IT FURTHER RESOLVED, that Supervisor Gladstone is hereby authorized to sign said undertaking to be forwarded to the NYS DOT.

March Highway Report

Most of February the men plowed and sanded weekends included we had two shop days. And 3 days brush cutting they finished up Hillside.

February 25 I met with gale from soil and water about paper work for fema and looked at two pipes that need to be replaced one on old Gladstone hollow by Herb Truesdells and the other on Bussey Hollow by Judy Jobmans survey needs to be done on each and hydraulic study for pipe sizing soil and water will help us with this and permits.

March the men started brush cutting on Wolf Hollow, and patching pot holes.

February 24th I met with the highway committee and they asked what we needed for equipment I presented to them that we needed a 6x6 plow truck Mower tractor and new pickup they told me to get numbers together for the equipment.

March 9th Roger and I met again with the committee to discuss the equipment needed we have found a few nice used mower tractors a 6x6 plow truck and a 2500 pickup.

I would like to ask the board at this time to allow me to put out to bid the pickup truck 2020 2500 work truck.

I would also like to put out to bid a mowing tractor 2016 or newer with over the guide rail mower with 22 foot boom.

I would like approval to order 6x6 plow truck setup and on Onondaga open bid.

I will supply bidders with spec sheets for each item as needed.
