

I am seeking signatures to support my father Art Short, to continue to serve us as the Andes Code Enforcement Officer. It was brought to my attention that a couple board members are voting to terminate my father's position after serving in this position for over 15 years. I feel that this is unfair, unethical and immoral especially since he has only 1 year or so left before his planned retirement.

Art Short has been a dedicated employee for the town since August 5, 2005. He has faithfully been at your service at the Andes Town Hall promptly every working morning to fulfill his duties, coming in earlier than his normal working hours. He has always been dedicated and called upon whenever needed by the town to do tasks outside his normal duties. These tasks include; checking chlorine levels 3 times a day at the pool in the past, overseeing the work done at both the court and railroad depot and also working at the transfer station. He has worked after hours, weekends and holidays to accommodate people for building permits and inspections. He has developed a good working relationship with other people in the office, homeowners and contractors.

Please sign and thank you for the support so he can continue serving the community until his desired retirement.

Sincerely,

  
Kelly Short

# Petition for Art Short, Town of Andes Code Enforcement Officer

We, the undersigned choose Art Short to continue to serve us as the Andes Code Enforcement Officer.
