Town of Andes Highway Report Michael R. McAdams, Highway Superintendent July 10, 2007

Equipment:

- 2004 International- changed oil and filter, adjusted clutch, greased, checked rears and transmission 3514 hours, 97,711 km
- 2000 International- 2 new front tires, greased, fixed leaking rear end cover, and replace inversion valve
- 1999 International- Old road fixed bushings in walking beam, fixed oil leak on compressor and inspected. Greased and checked rears and transmission. Thermostat was replaced.
- 1985 Mack- drained fuel tanks and cleaned fuel lines. Broke down on Cabin Hill, has a fuel problem, will be fixed as soon as there is time to get to it.
- 1996 Volvo- greased, changed tensioner pulley, fan belt and idler pulley 108,479 miles. The truck has quit on Gulf Brook Road and Burr Truck is coming to fix tomorrow.
- Ford Mower- replaced o-rings in hydraulic motor
- Rosco Sweeper- replaced fuel pump and filter

Roads:

- Beech Hill Road, Mary Smith Road, Holiday Brook Road, Gulf Brook Road, Weaver Hollow, Butler Road, and Barkaboom Road got hit in the June 19th flood. Holiday Brook and Gulf Brook Roads are now passable. We are beginning to lay walls. The tubes have been ordered for Holiday Brook and Gulf Brook Roads, a 8 ft. squashed tube, 50 feet long, and a 40 ft. tube 105 in. high, and 165 in. wide. They should take two weeks to get here. 240 ft. of 2 ft. pipes have been installed on Gulf Brook Road. A 3 ft. tube was also installed in Butler road. The ditches have been filled on Weaver Ave. as well as some of the ditches on Beech Hill Road.
- Fall Clove Road will be blacktopped soon through the CHIPS program. We will be getting an estimate for the cost of the upper end of Fall Clove to be blacktopped as well.
- Doig Hollow has been worked.
- Shaver Hollow Road has been ditched along with all of the side roads off of Shaver Hollow. We will be cleaning the ditches on Bussey Hollow Road, State Road, and Perch Lake. As soon as this is completed we will begin CHIPS work again on Weaver Hollow and Jones Hollow.
- For the last four years we have been hit with floods and our general maintenance is so far behind now, because we do not have enough men to complete the work needed to be done. The flood work will be done on overtime.
- o The last three payrolls will be recoded to FEMA.
- I am urging the Town Board to allow for the hire of two more men in the budget for next year. The work which needs to be complete cannot be done with 8 men

on 110 miles of road!

- Paperwork has been faxed to FEMA in Albany for Beech Hill and Close Hollow Roads for last year's flood. It has been forwarded on to the Core of Engineers by DEC.
- o One project on Dingle Hill Road from Water and Soil has been completed.

Respectfully Submitted,
