Approval of Minutes:

Motion to approve the November Regular Meeting Minutes, made by Councilman Hall,
Seconded by Councilman Mondore. All in favor. Motion carried.

Privilege of the Floor:

Lisa Marasa: As you know we had the Oh Boy market again and on the same day we had the tree lighting ceremony. I was approached by Brian who was the event coordinator for Wayside and he asked if we could put together some parking volunteers to help direct people, and with the coordination of Dirty Girl, we were able to get that done.

There was very little issue with that. The only issue was is we needed more people. was a winter event. In the summertime, he's going to do it again, and it's going to be probably three times the amount of people.

The problem, I think, Derek thinks he owns the street. He's got people dressed up as snowmen and elves, and they're throwing candy in the street. You can't keep people out of the street. We should ask The Andes Hotel to move the tree into the back of the hotel so people will not block the street and cause a dangerous situation. Also, taping off areas and putting up cones where there is no parking would be helpful.
