Supervisor's report

*Hamlet Sidewalks- A reminder to Hamlet of Andes Residents, home and property owners, Town of Andes Local Law 2 of 2006 requires snow to be removed from all sidewalks before 9:00AM each day. This local law is available on our website for your review.

*Water District Homes-Another reminder to Andes Water District residents, we are expecting more cold weather in the following weeks. Please continue to run water to avoid freezing pipes!

This will be my last term as Supervisor for the town of Andes. We will be hopefully passing the position along to Councilman Gabriel, who has been a great asset to the community these past years and has proven himself to be very capable. I will still be participating in town government

in the capacity of a Councilman. It has been a job of many ups and downs throughout the years. I believe I have served as a fair Supervisor, careful to not be biased toward any one side. I have enjoyed working for the Town of Andes, but it is time for me to pass the role to someone else.

-Supervisor Wayland Bud Gladstone

Derek Curl comments: It has been a pleasure working with you being the town Supervisor and I think I speak on behalf of the business owners in town that we will be sad to see you out of the position.

Peter Calvert comments: I just wanted to say that you have really been unbiased as Supervisor and you have been a voice for the diversity of people we have here in town.
